Revel in the sweeping views of Charleston with a specialty cocktail in hand.

Oceanside hors d'oeuvres at **The Atlantic Room** on Kiawah Island, or pre-dinner, hand-crafted cocktails and stunning views from the rooftops at **The Citrus Club**, **The Watch** or **Stars Restaurant**, all make for the perfect setting to take in the orange and pink hues of the Holy City skyline at sunset.

Today's chefs reap the best local ingredients to create dishes that celebrate Charleston's authentic flavors. Experience classic fine dining at **Circa 1886**, or the innovative elegance at **The Establishment**. Pull up a seat at the raw bar at **The Darling Oyster Bar**, enjoy a perfectly paired bite and pint at **Edmund's Oast**, or the finger-licking smoked meats at **Home Team BBQ**.
